Waterspirit's Impact:

Waterspirit's programs and advocacy campaigns reach across New Jersey and beyond. Our base of support is concentrated in Monmouth County, where we are headquartered.

Every year, we:

- Reach 21,000+ people across 42 states and 6 countries, with a base of support in New Jersey;
- Conduct 50+ public programs and activities;
- Submit 50+ public comments and testimonies on water issues.

"I feel empowered to live the life I have been afraid to for so many years. In a way, my life will be segmented into 2 parts: pre- and post- Waterspirit."

-- Matt, program participant

"We love that the Waterspirit community is rooted in nature's beauty and gentle rhythms, while also staying attuned to pressing ecological and hot-button issues... Waterspirit expresses what we would hope a new consciousness and spirituality might resemble, as we combat global climate change and other threats to our planet's inhabitants. Plus, Waterspirit's gatherings are just plain enjoyable and interesting."

-- Rusty and Martha, volunteers

About The Event:

Waterspirit's Joys of the Sea gala will take place on March 22, 2024 from 4-7 p.m. This event will be held at Rooney's Oceanfront Restaurant (100 Ocean Ave. N., Long Branch, NJ), where Waterspirit is headquartered. Joys of the Sea will draw environmentally-minded community members from Monmouth County and from all across New Jersey.

This event will be an evening of delicious food, a silent auction, and a celebration of the winner of the Suzanne Golas Spirit of Water Award. Suzanne Golas, CSJP, is an innovator in the field of spiritual ecology.
